

2009 Year-end Summary of Volunteer Value

As is our tradition, I am submitting our 2009 Year-end Report of West Hollywood Station Volunteer activities. Of note, our Volunteer census remains steady at 37 members, and I'm pleased to report that our scope of responsibility continues to expand.

In 2009, we maintained the high level of customer service standards expected of our program and took on new challenges. Our Volunteers on Patrol team worked the Proposition 8 protests, assisted residents impacted by the Station Fire, provided traffic control at the Sunset Music Festival and supported the West Hollywood Mug Run. Inside the station, more Volunteers work as Jailer's Aides and we now have a Volunteer helping with the Youth Athletic League.

Congratulations and Thank You to all involved; we look forward to another great year.
